PRAYERS

- **Doug Elsbree had an echocardiogram on Friday to check on the status of an aneurism that is near his heart. He is awaiting results from that test.**
- **Todd's hip replacement surgery has been postponed to a later date due to complications arising from a medicine that he takes interfering with his blood condition.**
- **Sue Barry** will be making a change in chemo treatments which she undergoes for stage 4 breast cancer because the previous treatment caused inflammation of the lungs with resulting fluid buildup. She couldn't have a sonogram of her lungs to check for cancer cells because there wasn't enough fluid. There is concern about possible cancer growth in another area as well. Please pray for her emotional strength and for her to be clear of any new cancers.
- **Jackie** is under the weather as of yesterday. Pray that she recovers quickly and comfortably.

Continue to pray for these things (and people):

- **Amanda Wagaman-** stage 4 colon cancer. She is undergoing chemo treatments.
- Pray for **Tim and his mother Patty** that they can find a comfortable place to live. They have made an offer on a house in Owego, and it has been accepted. Pray that the bank will pass inspection.
- **Todd's cousin Becky in FL** is undergoing chemo for cancer.
- **Tina Munn- recurrence of** breast cancer after many years.
- **Becky Gorsline-** we are praying her back pain recedes.
- **Phyllis Bloom** who is in the memory care unit in South Waverly.
- **Jeni (Darlene and Dara's cousin in OK)-** needs permanent heart pump and transplant.

If you have any **PRAYERS** or **NEWS** that you would like included in the bulletin, please contact Sandy at barncat7237@gmail.com or text or call (607) 261-0911.
