PRAYERS

- **Doug Elsbree had an echocardiogram last Friday to check on the status of an aneurism that is near his heart. Everything looks safe at this time, and they will continue to monitor the situation. He also had a colonoscopy on Thursday which showed no cause for concern. Praise God!**
- **Todd's hip replacement surgery took place on Monday, and he was up walking within hours. We are thankful to the Lord for His loving care in answer to our prayers.**
- **Sue Barry was taken to the ER in Ithaca on Tuesday for severe pain in her chest and abdomen. A sonogram revealed fluid buildup around her lungs, which probably caused the pain, and an MRI showed that there was no cancer in the abdomen. She is home now resting and will soon resume chemo for her stage 4 breast cancer. Prayers are requested for few side effects and comfort between infusions.**

Continue to pray for these things (and people):

- **Amanda Wagaman-** stage 4 colon cancer. She is undergoing chemo treatments.
- **Pray for Tim and his mother Patty** They have made an offer on a house in Owego, and it has been accepted. Pray that the bank will pass inspection.
- **Todd's cousin Becky in FL** is undergoing chemo for cancer.
- **Tina Munn- recurrence of** breast cancer after many years. Pray for a full recovery.
- **Becky Gorsline-** we are praying her back pain recedes.
- **Phyllis Bloom who is in the memory care unit in South Waverly.**
- **Jeni (Darlene and Dara's cousin in OK)-** needs permanent heart pump and transplant.
