PRAYERS

- **Dan Myers, who Paulette Frycek** cares for, is very ill with an aneurism behind his knee. Surgery is out of the question because doctors agree he probably wouldn't survive. He is home now but will probably be having an amputation above the knee in future because there is no pulse in his lower leg. Please pray for Dan and for Paulette.
- **Continue to pray for a smooth transition of the preaching position from Arthur to Tim H. by the end of this year.**
- **Richard** suffered a stroke and fell a week and a half ago and was taken to Packer Hospital. He then was placed in Willow Point in Vestal for rehab, had a fall there, and after being taken care of at Wilson Hospital in Johnson City, he is back at Willow Point. Please pray that he can recover well and that he can be placed in a residential home where he can receive the care he needs.

Continue to pray for these things (and people):

- **Amanda Wagaman-** stage 4 colon cancer. She is undergoing chemo treatments.
- **Sue Barry**, Arthur's youngest sister- stage 4 breast cancer care. Please pray that she can tolerate the chemo she is on and that it can heal her.
- Pray for **Tim and his mother Patty** Pray that the bank will pass inspection now that repairs have been made to the house they are buying.
- **Tina Munn- recurrence of** breast cancer after many years. Pray for a full recovery.
- **Becky Gorsline-** we are praying her back pain recedes.
- **Our sister in Christ, Phyllis Bloom who is in the memory care unit in South Waverly.**
- **Jeni (Darlene and Dara's cousin in OK)- needs permanent heart pump and transplant.**
